

## NEW CONSTRUCTION.

Offer clients a water purification package to keep everything water touches clean and free of the erosive effects municipal water has on water pipes, appliances and everything else we come into contact with throughout lives.

Clearly Clean Water goes beyond the health ramifications of consuming clean water, to a smart choice in keeping our home water pipes and appliance free of the damaging effects of hard water minerals and other contaminants.

### Hard Water Descaler

THIS changes the molecular construction of hard water minerals

### UV Water Disinfection

THIS disinfects your entire water supply from harmful pathogens

### Water Filtration

THIS removes over 600 contaminants from your water supply

Our philosophy is to foster a strong association between how *Clearly Clean Water* will have a healthy biological influence on our bodies and preventative repairs and maintenance to our homes and businesses.

# Vulcan Electronic Hard Water Descaler

THIS changes the molecular construction of hard water minerals

70 Countries Worldwide | Eco-Friendly | Salt Free | Maintenance-Free

## Vulcan Fights Against Hardwater Scale and Rust

**Stops** the natural elements found in water from depositing rust and hard water scale in pipes, cooling systems, kitchen equipment, pools, and whatever your water supply touches

**Gently sanitizes** your water pipe system and whatever your water touches; by breaking down rust, scale and limestone deposits on a molecular level and removing these elements safely through natural water flow

**Protects** your piping, equipment and whatever else your water touches from corrosion and perforation damage caused by hard water elements

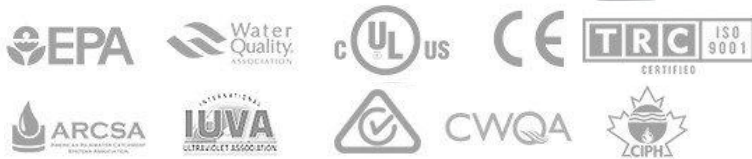

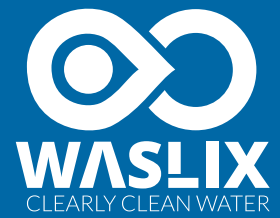

Our philosophy is to foster a strong association between how *Clearly Clean Water* will have a healthy biological influence on our bodies and preventative repairs and maintenance to our homes and businesses.

# Viqua Potent Ultraviolet Disinfection

**THIS** disinfects your entire water supply from harmful pathogens

DOES NOT affect pressure, change the taste or odor of your water  
1+ year UV lamp lifespan | Inactivates micro-organisms' DNA

## Disinfect Municipal Water Without Using Chemicals

- ✓ **Inactivates** pathogens in your entire water supply rendering them incapable of causing harm and illness
- ✓ **Protects** your water against micro-organisms; in particularly the dangerous chlorine-resistant protozoan parasites *Cryptosporidium* and *Giardia*
- ✓ **Provides** peace-of-mind knowing your location's water is truly clean before guests or staff consume it through food preparation, room facilities, or by any other direct contact

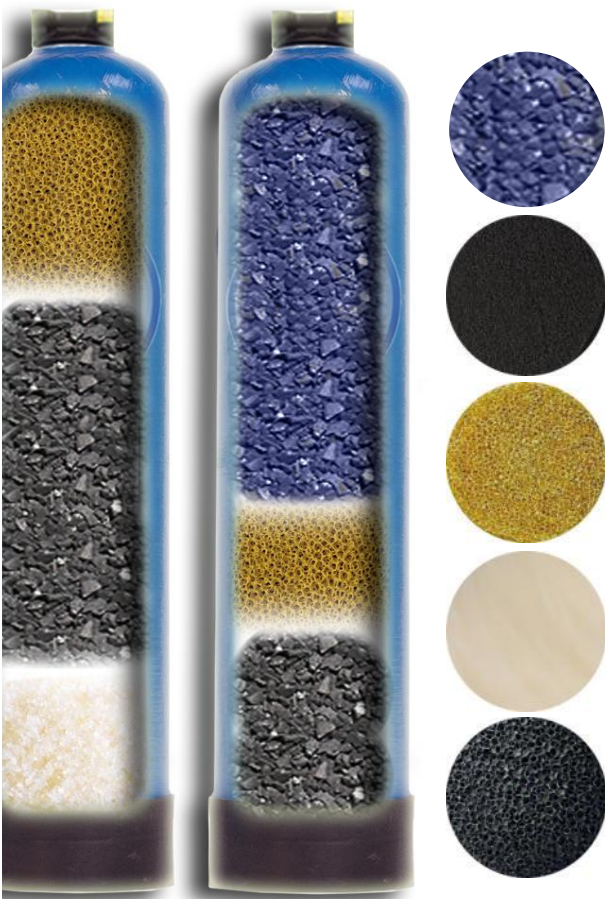

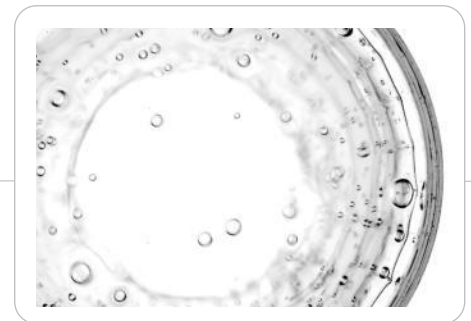

Our philosophy is to foster a strong association between how *Clearly Clean Water* will have a healthy biological influence on our bodies and preventative repairs and maintenance to our homes and businesses.

# CuZn Water Filtration System

**THIS** removes over 600 contaminants from your water supply

VIRTUALLY no drop in pressure, ability to remove 600 contaminants

1-5 year filter lifespan | Recyclable media with no wasteful backwashing

## Consume Impurity Free Water

- ✓ **Filter** out Chemicals, Volatile Organic Compounds and other contaminants using patented technologies developed and manufactured in the USA
- ✓ **Saves** your clients money across every aspect of owning a water filtration system as very little maintenance is required
- ✓ **Helps** the environment by eliminating waste water backwashing and recyclable filtration mediums

Our philosophy is to foster a strong association between how *Clearly Clean Water* will have a healthy biological influence on our bodies and preventative repairs and maintenance to our homes and businesses.
